

A scenic mountain landscape featuring a stone building with a Swiss cross on its facade, nestled among dense evergreen forests. In the background, majestic snow-capped mountain peaks rise against a clear sky. A Swiss flag is visible on a pole near the building. The text "Since July 2018" is overlaid in a white, elegant script font.

Since July 2018

A topographic map of the Alpine region, showing mountain ranges, valleys, and lakes. The map is rendered in shades of brown and tan, with blue lines indicating rivers and lakes. A vertical line divides the map into two halves. Latitude markers 46° and 47° are visible on the left and right sides.

A woman with blonde hair, wearing a pink short-sleeved button-down shirt and a green apron, stands in a kitchen. She has a shocked expression on her face, with wide eyes and an open mouth. To her right, a large plume of dark smoke billows from a stove, partially obscuring the background. On the stove, a silver kettle is visible. In the background, there are kitchen cabinets and a bowl of fruit on a shelf. A box of 'MARGARITE' brand flour is visible on the counter near the stove.
