# The Future of Tezos

@adrian\_brink

A golden retriever is sitting on a rocky, grassy hillside, looking out over a vast mountain valley. The valley features a small lake and is surrounded by steep, rugged mountains under a blue sky with scattered clouds. The scene is captured in a cinematic style with soft lighting.

# The Current State

The Current  
State

No protocol is  
ready for mass  
adoption

A scenic view of a Swiss town, likely Lucerne, with a prominent church spire and a lake in the foreground. The background features snow-capped mountains under a clear sky. The text "How to Compete" is overlaid in white serif font.

# How to Compete

How to  
Compete

# Effectively incentivise core development

A close-up of a mountain goat with thick, curly white and grey fur and large, curved horns. The goat is looking towards the camera. In the background, there is a high-altitude landscape with green grass, a dirt path, and several buildings. In the far distance, there are large, rugged mountains with patches of snow under a clear blue sky. Other goats are visible grazing in the field.

# (not) Re-inventing Wheels

A close-up of a mountain goat's head with long, shaggy white fur and a single large, curved horn. The goat is looking towards the right. In the background, a steep, rocky mountain peak is partially covered in snow under a clear blue sky. Below the mountain, there's a small settlement with buildings and a dirt road. In the foreground, several other goats are grazing on green grass.

(not) Re-  
inventing  
Wheels

Take research  
and implement  
it faster by  
leveraging  
governance

# Focus Areas

A scenic view of a Swiss village with a large mountain in the background. The village is nestled in a green valley, surrounded by dense forests and rolling hills. The mountain in the background is covered in snow and has a rocky peak. The sky is blue with some white clouds. The text "1. Interoperability" is overlaid in the center of the image.

# 1. Interoperability

## 2. ZKP's

A scenic view of a Swiss village with a large snow-capped mountain in the background. The village is nestled in a lush green valley, surrounded by dense forests and rolling hills. The mountain in the background is covered in patches of snow and has a rugged, rocky appearance. The sky is blue with scattered white clouds. The text "3. Proof-of-Stake" is overlaid in the center of the image in a large, white, serif font.

# 3. Proof-of-Stake

# 4. Consensus

A scenic view of a Swiss village with a large mountain in the background. The village is nestled in a green valley, surrounded by dense forests and rolling hills. The mountain in the background is covered in snow and has a rocky peak. The sky is blue with some clouds. The text "5. Scalability" is overlaid in the center of the image.

# 5. Scalability

# 6. Governance
